BIG FIRE AT CARLISLE

Passenger Depot and Several Warehouses Destroyed

This morning about 7 o'clock fire broke out in the L. and N. Passenger Depot at Carlisle, which soon developed into a conflagration, consuming in a short time several warehouses, besides the Depot. The fire is still raging and Paris has been appealed to for help.

The loss already is considerable and there is no telling what it will amount to before the flames are stayed.

The L. and N. wires between this city and Carlisle are down and communication shut off. The L. and N. 11 a. m. train is likely cut off by the fire and will be several hours late.

Ninety Years Old

Mrs. Eliza A. McClanahan, perhaps the oldest native born resident of Maysville, celebrated her ninetyeth birthday anniversary yesterday at her home in East Second street. The day will be a memorable one with this aged lady, as her friends and neighbors were not unkind of the occasion, as the beautiful flowers and tokens of remembrance that bedecked the sideboard fully attested. Another distinguished honor that is hers is that she has been a member of the Baptist Church in this city for 73 years. May God keep and bless her, until called to a brighter and happier home, eternal in heaven.

Whether seriously sick or simply ailing take Cardui, the woman's tonic. As a general tonic for women, to improve the appetite and build up the constitution, Cardui is in a class by itself. Those who have used it say it does the work; it relieves, it cures. Try it. Your druggist has it.

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs directly feminine. Such sickness can be cured—is cured every day by

Dr. Pierce's Favorite Prescription

It Makes Weak Women Strong, Sick Women Well.

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. It makes unnecessary the disagreeable questioning examinations and local treatment so universally insisted upon by doctors, and so abhorrent to every modest woman.

We shall not wonder, therefore, to find the experience of those persons who have used it, and who can testify to its efficacy, that they want to know where to get it. It is sold by all druggists, or by mail, on receipt of the money. Common Sense Medical Adviser, 1898, says: "It is a really tested and up-to-date Efficacy, sent free on receipt of 21 one-cent stamps to cover cost of mailing, or on cash order, or on cloth binding for 31 stamps."

A CORROBORATION

OF INTEREST TO MAYSVILLE READERS

For months Maysville citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Maysville residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? No stronger proof of merit can be had than cures that have stood the test of time. The following statement should carry conviction to the mind of every Maysville reader:

M. C. Chisholm, 317 East Second street, Maysville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their praise still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where Doan's Kidney Pills have been used with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The music pupils of Miss Jessica Raine will give their recitals May 26th and 27th at the Methodist Episcopal Church.

Served Him Right

Dick Davis, tried in the Police Court yesterday afternoon on a vagrancy charge, was found guilty by a jury, which returned the following verdict:

"We, the Jury, find the defendant guilty, and further believe that he has heretofore been convicted of vagrancy, his punishment at sixty days at hard labor in the County Jail."

MAYSVILLE GOT EVEN

By Administering a Coat of White-wash to Frankfort Yesterday

By the way of getting revenge Maysville yesterday smeared a coat of whitewash on Frankfort in a fast game in which there were twenty-one strike-outs, the record of the season. The Frankfort players are improving but played listlessly at critical stages. The hunching of hits on Cramer, however, is responsible for Maysville's victory.

In the fifth inning Williams hit to Cramer too hot for him to handle and was safe at second when Hease fumbled Romine's grounder, both of whom scored when Carmony hit for two bases to left field. A couple of hits, one by Langenham, another by Williams, a stolen base by Langenham and a gift to McGuire, netted Maysville another run in the sixth.

In the seventh inning Poland opened with a hit but was thrown out trying to steal. Carmony followed with a hot one over second. Holder hit over short and Woodruff scored both Carmony and Holder with a long hit to left center, ending the run-getting of the game.

With the exception of Bohannon the Frankforts could not touch Romine and only once during the game was there a chance to score by Frankfort and that was in the seventh inning when Bohannon hit for two bases.

The following is the score by innings and summary:

	1	2	3	4	5	6	7	8	9	T. H. R.
Maysville	0	0	0	2	1	2	0	0	5	11
Frankfort	0	0	0	0	0	0	0	0	0	5

Earned runs—Maysville 4.
Two-base hits—Bohannon, Carmony.
Bases on balls—Off Bohannon 2, off Cramer 1.
Strike out—By Cramer 11, by Romine 10.
Left on bases—Maysville 8, Frankfort 6.
Double plays—Cramer to Snyder to Bohannon; Williams to McGuire to Woodruff.
Hit by pitcher—Hease, Calks.
Stolen bases—Calks, Langenham, Nicholson.
Sacrifice hits—Weeks.
Time of game—2:40.
Umpire—Calks.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound in your ears, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless cases of deafness are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

TIRED, RUN-DOWN PEOPLE

A North Carolina Man Suggests a Remedy

Greensboro, N. C.—"For a long time I was so run-down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic, Vinol, and I am so glad I did, for it gave me a hearty appetite, I soon commenced to sleep soundly and I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allebrook. (We guarantee this testimonial to be genuine.)

What Vinol did for Mr. Allebrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do as we claim. Come in and get a bottle on these terms. John C. Peacor, Druggist, Maysville, Ky.

Reduce the Cost of Heating

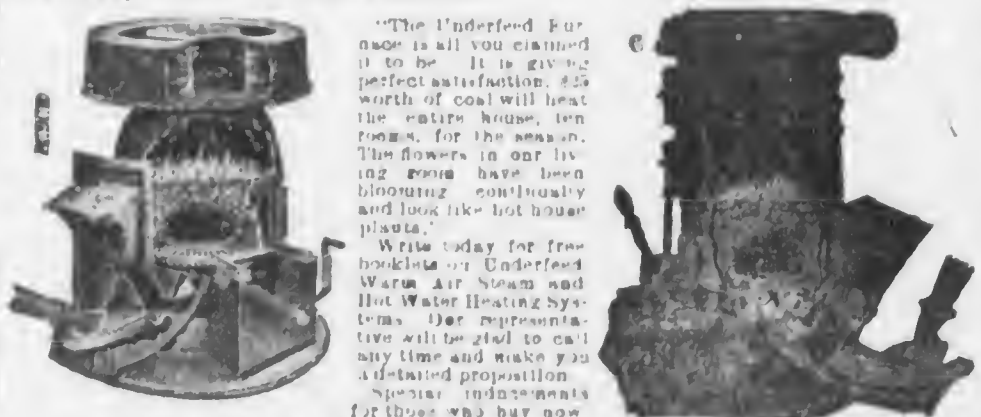

With living expenses in general climbing higher, Underfeed Warm Air Furnaces and Hot Water Boilers are reducing the cost of heating to the lowest possible notch. In thousands of American homes clean, even heat is enjoyed at least cost. The Underfeed has made this possible. There's no guess work about it.

THE WILLIAMSON UNDERFEED FURNACES AND BOILERS

Are the most economical heating plants on the market. Cheapest slack, which would smother the fire in an ordinary heater, yields as much heat as highest priced coal. The Underfeed coal-burning way is responsible for this seeming miracle of economy. Coal is pumped from below. All the fire is on top. Smoke and gases, wasted in the heaters, must pass through the flames and are consumed, being turned to practical account in heating the building. This enables Underfeed furnace and boiler users to

SAVE TO 1/2 OF COAL BILLS.

A Bracken county user, Mr. J. T. P. Watson, Brooksville, Ky., has this to say of his Underfeed experience:
